

San Pablo Avenue Complete Streets Project
City Project No. SPA-CST
Federal Aid Project No. CML-5303(016)

Work for this week

GBI is supporting RE Maher for completing the curb, gutter and sidewalk on the west side of San Pablo Avenue. They also cleaned up and reconstructed back fill slope areas behind sidewalks on the west and east side of San Pablo Avenue. Areas washed away due to the heavy rains.

RE Maher has been on site, on and off due to rain, to form and place concrete for curb, gutter and sidewalk on the west side of San Pablo Avenue, north of Robert Miller Drive.

Mike Brown Electric has been working on installing street lights along the project corridor.

Work forecasted for next week

GBI will continue to support RE Maher for completing the curb, gutter and sidewalk on the west side of San Pablo Avenue. They will also continue with fixing the slopes behind the sidewalk areas that were washed away due to the heavy rains.

RE Maher will continue with curb, gutter and sidewalk on the west side of San Pablo Avenue, north of Robert Miller Drive. They will also start working on the J-ditch above the soil nail wall.

Mike Brown Electric will continue with street lighting installation.
