

**San Pablo Avenue Complete Streets Project**  
**City Project No. SPA-CST**  
**Federal Aid Project No. CML-5303(016)**

**Work for this week**

GBI is working on cleaning up the site in preparation of grinding and paving. They are removing the concrete at the north east corner of Rivers and San Pablo Avenue to reconstruct the sidewalk and curb ramp.

RE Maher completed work on median concrete throughout the project.

Mike Brown Electric worked on street lighting and new signals.

RMT is on site to install trees and decomposed granite in the median areas

**Work forecasted for next week**

GBI will continue with completing miscellaneous items in preparation of grinding and paving in the coming weeks.

Mike Brown electric will continue with signals and streetlighting.

RMT will continue work on planting trees and placing decomposed granite in the median areas.
