Commissioner Spotlight

“As the new chair of the San Pablo Youth Commission, I’m ecstatic! I have been a member since August 2016, and I have been a part of the growth of the SPYC. I am now a member with a lot of experience. I love sharing my wisdom and knowledge with other upcoming leaders. Before I graduate, I want to teach these upcoming leaders to communicate their opinion, to be comfortable networking, and to enjoy public speaking. This will help San Pablo youth to be fully recognized. We are important!”

- Kimyatta Newby, *SPYC Chair*, 12th grade

“Being a part of the SPYC has taught me how to become an active member of my community, by strengthening my leadership skills. Through various exercises, activities and events, I have been able to learn how to work with other youth, develop organizational skills, and use my knowledge of the community to help people. My favorite part about being in the SPYC is the feeling of my heart being so full, as I am receiving positive feedback and big smiles while I am supporting a community event.”

- Sheyla Jarquin, *SPYC Treasurer*, 12th grade
