COMMISSIONER SPOTLIGHTS

Kimyatta Newby, MCHS, Age 17

“As a senior, SPYC holds a special place in my heart. I've been member for four years now and I've watched it grow and develop into an environment for safety and public service. Being a member gives youth the opportunity to explore their interest and find their passions, while becoming a leader in their community.”

“Although I have only been part of the SPYC for a short amount of time, it feels as if I have always belonged in the group. I have been able to take part in new opportunities to benefit the community. Everyone is also so friendly and it feels like family.”

Irene Cisneros, MCHS, Age 17

“Being part of the SPYC has been the best thing I've ever done. It opened me up to the San Pablo community and what youth are capable of doing as a whole. Thanks to the SPYC, I've gotten to explore new things. I will always remember being apart of this group.”

Cinthia Pool RHS, Age 17
