**Footnotes**

1. The plan check fee includes 3 reviews. Should there be more than 3 reviews, additional hourly fees will be charged based on current billable hourly rates for City of San Pablo reviewers or actual hourly contracted rates for consultant reviews.
2. The above schedule covers most common and straight forward permit types. Fees for projects outside of the listed items shall be estimated by the Building Official based on degree of complexity and size.
3. Where no fee is specified or there is an unusual circumstance, that fee shall be determined by the Building Official.
4. For projects involving buildings or structures that are installed specifically for solar energy applications, fees will be charged based upon the type and/or size of the underlying building or structure in addition to the solar energy fees.
5. Where plans are incomplete or changed so as to require additional plan checking, an additional plan check fee shall be charged at the rate established by the Fee schedule and the minimum hours as determined by the Building Official.
6. Over the counter permits and permits requiring plan review approval by Planning will be charged an additional hourly fee as determined by the Planning Manager.
7. A permit issuance fee of \$129 is applicable to all permits
