FOOTNOTES

Public works services requiring less than 15 minutes will not be charged a fee. Services requiring more than 15 minutes will be charged a fee based on the fully burdened hourly rate.

If there is a no notification fee and future offenses occur, an administrative citation will be initiated for future offenses.

Any work that does not have the required permit may be shut down until such permit is obtained.

All encroachments may require the submittal of a 100% performance bond at the discretion of the City Engineer, in order to obtain PW signoff of any encroachment permit, materials testing results will be required or extension of the performance bond to a term determined by the city will be required.

Annual Transportation Permits will be issued on a case-by-case basis at the discretion of the City staff only.

***Note: Fees listed as "Deposits" represent the minimum amount due at application submittal. Deposited funds are charged against time and materials. When consultants are required, the fee amount is the consultant cost plus 17%. Engineering service deposit amounts are determined by the City Engineer to ensure 100% cost recovery*
