

City of San Pablo

February 2025

Employee Of the Month

Kathy Bradley

Finance Fiscal Clerk Kathleen Bradley has been supporting the Finance Department in various areas since August 2024. During this period, the Finance Department has functioned with two (2) vacancies, which would have impacted our Financial processes, if it was not for Ms. Bradley's relentless support and dedication.

Ms. Bradley has also supported the Finance team on improving accounts payable workflows and efficiencies, which has benefited our City's check run processes. This is especially critical for our City vendors and partners to be paid out for the resources and support they provide the City and our community members.

She plays a crucial role in supporting seamless business processes and contributing to the City's overall financial stability. Ms. Bradley also participates in various City employee activities, including the City's Employee Appreciation Dinner, which everyone enjoyed in December 2024.

We thank you Ms. Bradley!
