Employee Of the Month

Alma Gil

I am proud to nominate Police Services Technician (PST) Alma Gil as the Employee of the Month in recognition of her outstanding dedication and planning of the City's 2025 National Night Out event held on August 5, 2025, at the San Pablo Community Center.

This event requires months of planning and coordination. Alma was tasked to step in and lead the planning of this event due to unforeseen staffing needs. Despite the late start, Alma embraced the challenge and hit the ground running.

Thanks to Alma's tireless efforts and organizational skills, this year's National Night Out was a tremendous success, drawing in over 1,300 community members. The event featured more than 45 vendors, 6 food trucks, a magician show, carnival games, and engaging police displays. Alma worked diligently behind the scenes to ensure every detail was accounted for, from vendor outreach and logistics to entertainment and community engagement.

National Night Out is one of the most anticipated events of the year, fostering community trust and strengthening police-community relationships. It requires a lot of energy, attention to detail, and passion to bring together such a large-scale event. Alma rose to the challenge with professionalism, enthusiasm, and a deep commitment to our community.

Her hard work did not go unnoticed, and her efforts played a critical role in ensuring this event was both memorable and meaningful for all who attended. Alma exemplifies the values of the San Pablo Police Department, and we are grateful for her continued dedication and service.
