**Footnotes**

*For Construction Types I-A,II-A,III-A, I-B,II-B,III-B and I-V an additional 20% will be added to the fee total as determined by the Building Official due to the complexity of the project.*

*Permit Fee covers a maximum of two inspection trips to the property. Any additional inspections will be charged based on inspection hourly rate.*

*General Plan fee update: 7% fee will be charged on all new construction or any projects reviewed by Planning Department*

Affordable Housing Fee Reduction: 10% reduction in planning, plan check and building permit fees is available for projects with at least four units and at least 25% of units deed-restricted to Lower Income residents (80% or less of Area Median Income, adjusted for household size).

Permit Refunds: The Building Official shall not authorize the refunding of any fee paid except upon written application filed by the original permittee not later than 180 days after the date of fee payment. The Building Official may authorize the refunding of any fee paid hereunder which was erroneously paid or collected. The Building Official may authorize the refunding of not more than 80% of the plan review fee paid when an application for a permit for which a plan review fee has been paid is withdrawn or cancelled before any plan checking is done.
