#2 IDENTIFY WHO WILL PERFORM THE WORK (Complete either 2a or 2b)

2a – CALIFORNIA LICENSED CONTRACTOR'S DECLARATION

I hereby affirm under penalty of perjury that I am licensed under provisions of Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code, and my license is in full force and effect.

Contractor Name and Address: _____
 License Class and No. _____ Contractor Signature _____

2b – OWNER-BUILDER'S DECLARATION

I hereby affirm under penalty of perjury that I am exempt from the Contractors' State License Law for the reason(s) indicated below by the checkmark(s) I have placed next to the applicable item(s) (Section 7031.5, Business and Professions Code: Any city or county that requires a permit to construct, alter, improve, demolish, or repair any structure, prior to its issuance, also requires the applicant for the permit to file a signed statement that he or she is licensed pursuant to the provisions of the Contractors' State License Law (Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code) or that he or she is exempt from licensure and the basis for the alleged exemption. Any violation of Section 7031.5 by any applicant for a permit subjects the applicant to a civil penalty of not more than five hundred dollars (\$500).):

() I, as owner of the property, or my employees with wages as their sole compensation, will do () all of or () portions of the work, and the structure is not intended or offered for sale (Section 7044, Business and Professions Code: The Contractors' State License Law does not apply

to an owner of property who, through employees' or personal effort, builds or improves the property, provided that the improvements are not intended or offered for sale. If, however, the building or improvement is sold within one year of completion, the Owner-Builder will have the burden of proving that it was not built or improved for the purpose of sale.)

I, as owner of the property, am exclusively contracting with licensed Contractors to construct the project (Section 7044, Business and Professions Code: The Contractors' State License Law does not apply to an owner of property who builds or improves thereon, and who contracts for the projects with a licensed Contractor pursuant to the Contractors' State License Law.)

I am exempt from licensure under the Contractors' State License Law for the following reason: _____

By my signature below I acknowledge that, except for my personal residence in which I must have resided for at least one year prior to completion of the improvements covered by this permit, I cannot legally sell a structure that I have built as an owner-builder if it has not been constructed in its entirety by licensed contractors. I understand that a copy of the applicable law, Section 7044 of the Business and Professions Code, is available upon request when this application is submitted or at the following Web site: <http://www.leginfo.ca.gov/calaw.html>.

Post Construction Waste Management Report Instructions

Upon completion of construction and demolition activities, but before the final inspection, the person responsible for the project must submit the Post Construction Waste Management Report to the City's Development Services Department for review. Include the required documentation (listed below) to demonstrate achievement of the diversion requirement.

- Indicate the types and quantity of debris that were **actually** generated from the project (tons).
- Specify whether each material was reused, recycled or disposed. If the materials were reused on site, describe the reuse application under the facilities/service providers' column. Salvaged materials from deconstruction should be designated as reuse.
- Provide the name of each facility or service that was actually used for each type of material.
- Attach receipts or gate-tags for all materials to verify their destination including subcontractors loads.
- Provide any additional information (including photographs) that are relevant to determining compliance with the code.
- Calculate the percentage of materials recycled/reused.
- Sign the form certifying the information is accurate and meets the code.
